FACIALS

All facial treatments begin with a complimentary skin check and analysis. Together, we will work out the best option for your skin. We work with Ultraceuticals skincare, for their effectiveness and integrity of treatments and homecare.

Ultraceuticals use a combination of sophisticated, patented delivery systems and potent, proven ingredients to deliver you genuine, visible results. Proudly 100% CRUELTY FREE by the internationally-recognised organisation Choose Cruelty Free (CCF). In addition, Ultraceuticals products DO NOT CONTAIN harsh chemicals, propylene glycol, parabens, synthetic dyes or synthetic fragrances.

PEELS

Results are the name of the game when it comes to Ultraceuticals treatment peels. Contrary to what the name suggests, you may not 'peel' from these treatments. What you *can* expect is happy, healthy and rejuvenated skin.

HYDRATE – 60 MINS \$109: This high-powered Lactic Acid peel delivers fast results and actively works to resurface and improve skin's moisture levels, while restoring clarity and luminosity. This treatment includes a vitamin infusion, mask and facial massage. Suited to skins that are lacking hydration.
